COURSE DESCRIPTION:

Google Drive is a FREE, Web-based Microsoft Office alternative. It includes a [word processor](#), a [spreadsheet](#) (excel), [presentation](#) (PowerPoint), [forms](#) (quizzes/surveys), and data storage service, all offered by [Google](#). It also allows users to create and edit documents online while collaborating in real-time with other users. With Google Drive, all of your work is automatically saved online, you can access it from any computer and you never have to update your software. All you need is a Gmail account!

This course is dedicated to teaching how to apply Google Drive to your teaching or professional situation. Course participants will learn how Google Drive can enhance lessons inside and outside of school and support teachers in collaboration and sharing of resources and ideas. In addition to learning and implementing Google Drive, educators will create motivational and relevant classroom activities, teacher support materials, and assessment tools.

This course is applicable for any K-12 teacher, administrator, or anyone looking to increase their technology skills. There is no textbook for this course. All references and materials are located online.

Note: Formerly titled Google Docs Across the Curriculum.

ADDITIONAL ASSIGNMENTS REQUIRED FOR UNIVERSITY QUARTER CREDIT

B. LEARNING APPLICATION

In this section, you will apply your learning to your professional situation. This course assumes that most participants are classroom teachers who have access to students. If you do not have a classroom available to you, please contact the instructor for course modifications. Assignments done in a course forum will show responses from all educators who have or are taking the course independently. ?Feel free to read and respond to others' comments. Group participants can only view and respond to their group members in the Forum.

Assignment #8: Unit of Study

Now that you are familiar with many features of Google Drive, you need to apply this knowledge to create something useful for your professional situation—Be creative, but more importantly, take advantage of this project, as it is an opportunity to implement this technology in your workplace.

You must create 3 new Google documents from the list below. These 3 documents can be part of a unit of study/theme you are teaching or documents for parents/organizing your classroom (back to school presentation, a “Welcome to Room 5” letter, a seating chart template etc.) Feel free to expand on previous assignments.

- Form (survey or quiz for your class)
- Spreadsheet
- Document
- Presentation

Assignment #9: (500 Level ONLY)

Complete one of the following:

- Prepare a Presentation for an in-service for other teachers on what you learned through this course. Share your presentation with ChrisBrita@gmail.com
- Work collaboratively with a colleague to develop a conceptualized plan that describes how you would use Google Drive in a cross-curricular application. Write and post a 500-1000 word paper describing the plan, emphasizing the advantages of using Google Drive, as compared with other means.
- Evaluate the online Google Drive course material in 1000-1500 words and share with ChrisBrita@gmail.com

****Please add a statement in the online response box "Assignment #9 has been shared in Google Doc to ChrisBrita@gmail.com"*****

C. INTEGRATION PAPER

Assignment #10: (Required for 400 and 500 Level)

SELF REFLECTION & INTEGRATION PAPER

(Please do not write this paper until you've completed all of your other assignments)

Write a 400-500 word Integration Paper answering these 5 questions:

1. What did you learn vs. what you expected to learn from this course?
2. What aspects of the course were most helpful and why?
3. What further knowledge and skills in this general area do you feel you need?
4. How, when and where will you use what you have learned?
5. How and with what other school or community members might you share what you learned?

INSTRUCTOR COMMENTS ON YOUR WORK:

Instructors will comment on each assignment. If you do not hear from the instructor within a few days of posting your assignment, please get in touch with them immediately.
