

School Climate and Culture Self-Assessment

Developed by Debbie Supplitt M.F.A.-A.ED./M.ED.

2/24/2020

This assessment is just for you to fill out. Only you will see the answers. This assessment may help you discover ways to help support your school culture.

If you would like to delete or add any questions please feel free to do so.

If you become stuck on an answer move on and come back to the question later. Most importantly of all have fun filling out this self-assessment.

What is your schools Mission Statement?

Where can I get a copy of this?

What values do I promote in my classroom and school?

How do I “Fill My Cup” with activities they I enjoyed, such as yoga, cooking, running, biking, singing karaoke... really anything that brings you joy?

What do I enjoy?

Have I shared any of these fun activity with my colleagues or invited a colleague to participate in a fun activity with me?

If so who? Or who would I like to do something with?

Who do I go to when I need to “Blow Off Steam”?

Who comes to me when they need to “Blow Off Steam”?

Am I an active member of my collaborative team, staff and/or faculty?

What are some ways I can help others to become collaborative?

Who can I give a shout out to at the next staff meeting?

Has anyone given me a shout out and if so what was it for?

Have I taken any professional development courses lately?

Can I invite someone to collaborate with me by taking a fun course or professional development together?

Have I offered a note of thanks to one of my colleagues?

If not who would I like to offer a note of thanks to?

Have I attended or can I organize and invite others to an afternoon "Spirit Practice" (gathering at a local, off campus establishment) for **after school** refreshments with other staff members?

Do I participate in Fun Fridays, school color day and/or spirit week at school?

Do I bring snacks, food, or sign up for social events at school?

Who is the person that I trust or trusts me at school?

Do I feel safe and supported?

What can I do to help others to feel safe and/or supported?

Who is that one colleague that I avoid?

Why?

What ideas do I have to help that working relationship become better?

What can I do to provide a fun infused workplace where I enjoy going every day?

Other suggestions, thoughts and ideas?
