

Student Learning Survey

Read each of the statements below. If you feel the statement frequently applies to you as a learner, put a check mark next to the statement. After reviewing each group of statements, consider the number of checked statements.

TYPE 1

- _____ 1) I like to have a timeline for doing work.
- _____ 2) I am most comfortable doing things by myself.
- _____ 3) I like to keep myself organized.
- _____ 4) I feel best when I accomplish a task completely.
- _____ 5) I like to make lists of what needs to be done.
- _____ 6) I believe it is important to follow rules and directions.
- _____ 7) I feel frustrated when I don't know the right answer.
- _____ 8) I like to do things that are step-by-step.
- _____ 9) I work best when I know what is expected.

If you agree with a majority of these statements, you may be considered a paper clip type of learner.

As a paper clip you feel comfortable with:

- › schedules and deadlines
- › knowing what is going to happen and when it will happen
- › organization
- › step-by-step directions

As a paper clip you will need support in:

- › dealing with changes to the schedule
- › not knowing what is coming next
- › disorganization
- › random tasks
